KVM Switch

Dongle PS/2

Dongle USB

Introduction

The 4 in 1 Series is a LCD KVM Drawer provides an easy solution for total network management. It also provides an opportunity to control up to 256/512/1024 servers with built-in LCD console (17" LCD monitor, Keyboard and touch pad).

Instead of connecting a bulky keyboard, monitors and mouse to your KVM Switch, simply use the space-saving and convenient 4 in 1 Drawer Module design provides you quick and easy installation. Connect PCs and Servers via USB or PS/2 at will through Combo KVM switch module.
